A Word From Our CEO

Hi!

I'M SILKY KHANUJA

- CEO of Solis College.

”

We started Solis a couple of years back not to make a million dollars or take the business world by storm, but because we love training and are passionate about seeing students grow, improve, find new jobs, and better themselves. I'm still an active member of our training team because, for me, this business is all about the students we're helping.

One of my favourite things is when past students drop in to visit and share stories of how they're thriving since studying with us - hearing about new careers and better opportunities, and seeing the smiles on their faces. That's why I do this.

Whether you're struggling to find work, looking to upskill and advance your career, or just wanting a change to something with more purpose, we'd love to help you on your journey. And if you hit any snags along the way, just remember - my door is always open!

Studying In Adelaide

Situated in the centre of Australia's southern coast, Adelaide has the perfect mix of small town and thriving cultural hub. A city of 1.3 million people, in 2023 Adelaide was ranked as the 12th most livable city in the world.

With low cost of living, good public transport, a busy arts scene, and a great food and wine culture, it's no wonder why. And with many healthy growing industries - including food and wine, bio-science, health, agriculture, information and communications technology, defence, tourism and the arts - there are plenty of career opportunities for the future.

Industry Consultation

Solis College has invested a lot of time speaking with key industry bodies and experts and making sure our courses provide the most useful and valuable skills for each industry - both now and in future. If you wish to find out more about these consultations and the decisions made as a result, you can speak with our team - we keep careful records, thanks to our Industry Engagement and Continuous Improvement policy.

About Solis College

Solis College is a registered training organisation and CRICOS provider based in Adelaide, South Australia, providing nationally recognised qualifications to local and international students. We offer courses in Aged Care, Disability, Community Services, Child Care, Commercial Cookery & Hospitality, Business, Marketing and IT.

Our mission is to provide students with excellent, affordable training, giving them the qualifications and skills they'll need to succeed in their chosen careers. We're an experienced CRICOS provider, and passionate about seeing people from all cultures, languages and backgrounds equipped with the knowledge to work and thrive here in Australia.

Our vision is to become Australia's leading RTO by providing exceptional courses and outstanding service. Guided by our core values of respect and integrity, we work hard to put students at the core of everything we do. We love seeing people develop their skills, explore new career paths and opportunities, and reach their full potential.

Why Choose Us?

Located in the heart of Adelaide, Solis College is a great location to study, learn, build relationships, and grow as an individual. Our students are highly diverse, and our highly qualified trainers are passionate about helping each one move toward their future career. We love working with people from a wide range of backgrounds and cultures.

Solis College works hard to provide our students with the flexibility they need, providing out-of-hours classes, versatile payment options, and quarterly or rolling intakes - meaning students can start studying sooner. Our training facilities come fully equipped, and we offer guaranteed placements for all students who meet the eligibility criteria.

Our courses are nationally recognised, and acknowledged by major employers and peak industry bodies all across Australia. Let us help you take the next step on your journey!

The facilities, including the lab room and classroom environment, provided a good learning experience. My training at Solis College has been a positive learning experience, and Silky was an excellent choice as a trainer. The education she provided showed she had very good real-world experience, and this was so helpful in me becoming confident to work with aged care and disability clients.

- Tanya Singh, Student

The trainers at Solis college are excellent. They are very positive and encouraging and provided a lot of assistance to me throughout the program. The students all appeared to enjoy the course, and I was enthusiastic about attending the program daily. The trainer displayed excellent listening skills. English is my second language, and even though I sometimes have trouble understanding accents, I have no problems understanding spoken communication. This was a great benefit to me.

- Muskan Ahuja, Student

Solis college is my second home. I have built great relationships with my classmates, teachers, and staff. Being at Solis has been a fantastic experience that has helped me grow personally and professionally.
